- Digital skills: handling touchscreen, clicking, dragging, typing
- Other skills: numbers, colors, time, listening, visual
- Phonics: 42 main sounds of English, blending sounds

## First things first

- Check that you have received all the components shown on the cover.
- Make all the components as accessible to your child as possible, keeping this guide separate for your own reference.

*Time for English* was developed and produced in 2017 by experts in early learning, animation and apps. Colin Rose is the consultant for this series. He is a specialist in developing learning and thinking skills in young children. Colin is also a fellow in the Royal Society of Arts, a founding member of the UK Campaign for Learning, a member of the British Association for the Advancement of Science, and a senior member of the Royal Society of Medicine.

10 talking storybooks reproduce the episodes to help your child develop reading, comprehension and grammar!

- The foreword at the beginning of the book gives you the summary of the story and suggests additional activities.
- Lucy's Language Tips, which appear throughout the books, help teach grammar.
- It's recommended to read the story without the Eltee Pen in the first round.
- When using the Eltee Pen, you can introduce your child to the other languages – where they are spoken and what they sound like.

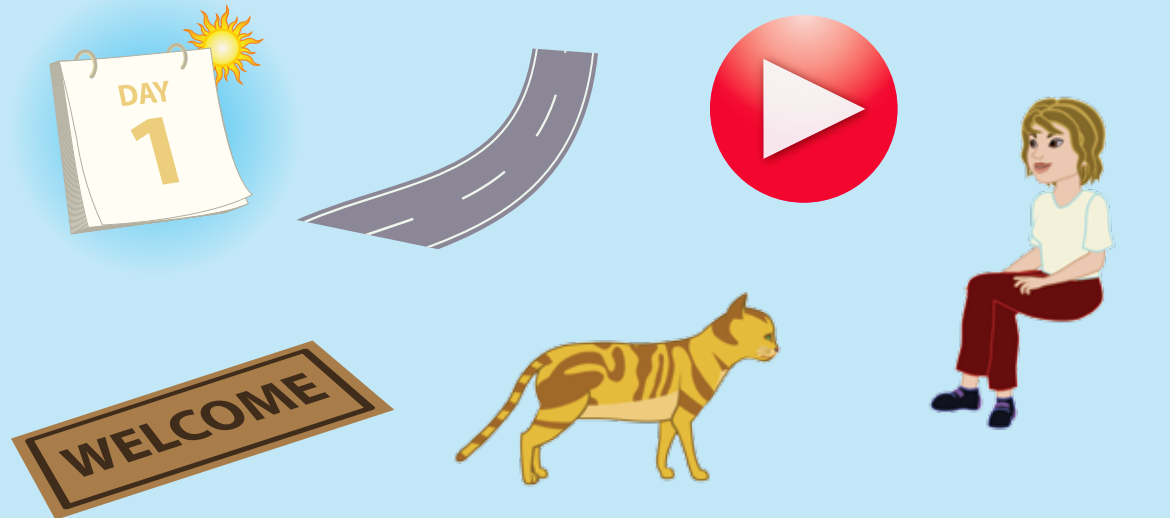

Encourage your child to participate in the sing-along and dance-along activities in each episode.

A double-page spread at the end of storybooks 3-10 teaches phonics with the help of the Eltee Pen.

## Using Eltee Pen with the storybooks

- Eltee Pen is an audio-learning device that is supplied with *Time to Learn*, and can also be used with *Time for English with Lucy, Wiz and Ziggy*.
- Please familiarize yourself with all the functions and features of Eltee Pen by reading the User Manual that comes with it.
- Eltee Pen must be activated for any of the storybooks through the icon on the title page of that particular book. The same page allows your child to choose one of the languages provided.
- Eltee Pen provides an additional opportunity for your child to listen to the correct pronunciation and improve her listening and reading skills. The record function can also help your child to listen to her own voice, and compare it with the correct pronunciation.

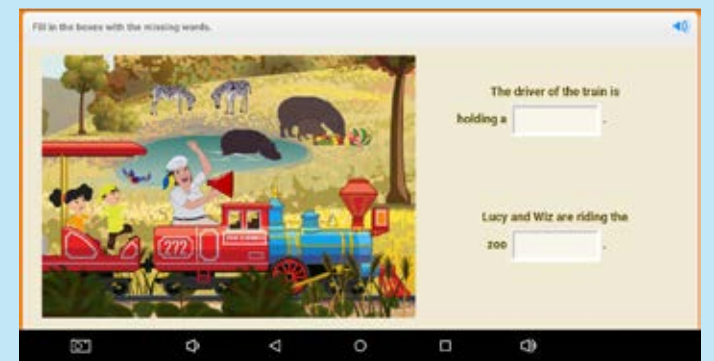

30 games in the app reinforce language skills through play and practice, and develop digital skills! Please refer to page 15 for more instructions.

# 13 additional supplements to this excellent program:

- 8 independent activity books to help your child develop additional skills while reinforcing language skills!
- Photocopier-friendly activity pages to use again and again.

- A soft toy brings Ziggy to life and will soon become your child's favorite companion!

- 180 flashcards in 9 categories will introduce new vocabulary, picture recognition and more parent-child quality time.

- The Phonics Poster familiarizes phonics sounds and words in an easily accessible and fun way.

## Would you like your child featured on our website and social media?

Please send us one of the following:

1. A photo of your child with Ziggy or any other favorite component of the program
2. A video of your child singing her favorite song from the program
3. A video of your child following any of the dance-along from the program
4. A photo of your child's artwork from any spread of *My First Journal*, one of the activity books in the program

Please email to [info@learningtime.co](mailto:info@learningtime.co) with your name, country and your child's name. Selected photos/videos will be featured on our website and social media, and your child will receive a special Certificate of Achievement.

More than 75 talking flashcards and 2 board games introduce Phonics to children in an engaging and fun way:

- The 42 main sounds of English are taught through 42 flashcards.
- 35 'Blending words' flashcards say the individual sounds in a word, and then together to make the word. This is a technique every child needs to learn and practise.
- The two board games make learning and practising phonics fun.

TFE Digital App: Now on your own tablet / smartphone

- *Time for English with Lucy, Wiz and Ziggy*: Videos of all 10 episodes, including sing-along and dance-along; plus 30 apps
- Bonus Apps: Five more educational and entertaining apps
